POWER

WORLD CLASS

BLUE POWER INNOVATION

More power, comfort and safety. Meet the high-powered pick-up truck with an engine that's ready for anything.

With more than 85 years of innovation experience, we know how to build the best pick-up truck to suit your needs.

INNOVATE FOR MORE POWER

The 1.9L Blue Power engine might be compact, but still packs a heavy punch. So how did we give our engine more power, without compromising on efficiency?

**1.9L DDi
BLUEPOWER**

WE PUT IN MORE :

POWER

Confidently take on any challenge.

TORQUE

No job too tough, no adventure too difficult.

FUEL EFFICIENCY

Go further on less.

ENVIRONMENTAL FRIENDLY

A greener peace of mind.

DURABILITY

Last longer than your competitors.

SO YOU CAN ENJOY LESS:

WEIGHT

Lighter and more agile to handle any task.

FRICTION

Smoother rides, guaranteed.

CO2 EMISSION

Effective engine that uses cleaner energy.

NOISE

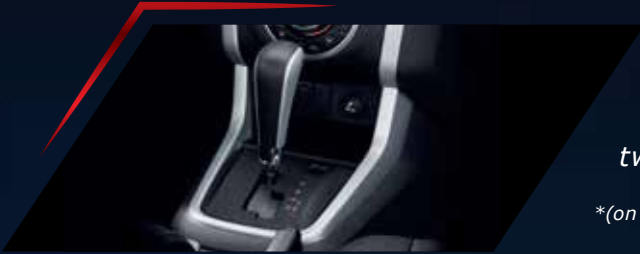

Music to our ears.

MAINTENANCE

So you can get to doing all the important things.

6 SPEED AUTOMATIC TRANSMISSION

RevTronic Transmissions lets you switch into an exciting Sports Mode with ease. Accurate, durable and responsive, driving is a pleasure with two overload drives on gears 5 and 6.

*(on the 1.9L model)

6 SPEED MANUAL TRANSMISSION

Great start, strong acceleration. Be in complete control of the drive no matter where you go. Comes with two overload drives on gears 5 and 6.

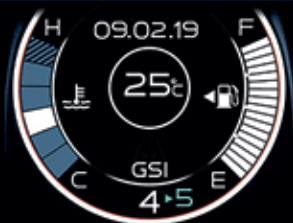

*(on the 1.9L model)

5 SPEED MANUAL TRANSMISSION

Full power with every drive. Superior performance and durability no matter the drive.

*(on the 3.0L model)

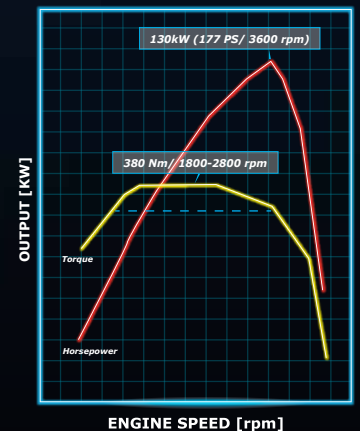

GEAR SHIFT INDICATOR

Maximise performance. Indicators let you know exactly when to switch gears for an efficient drive every time.

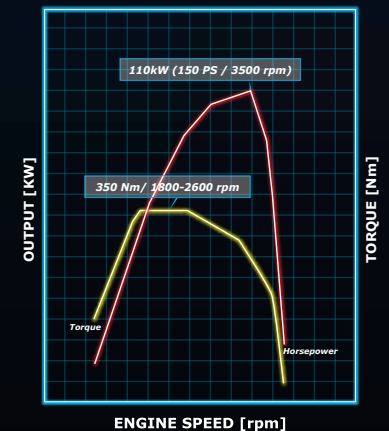

First EEV Certified pick-up truck

3.0L 4JJ1-TCX ENGINE

1.9L R24E-TC ENGINE

INNOVATE FOR MORE STABILITY

***Designed for every work
condition so that each ride is a
smooth, stable experience.***

WIDER & TOUGHER CHASSIS DESIGN

Bigger, broader, tougher; ready for any adventure.

IDEAL WEIGHT DISTRIBUTION DESIGN

Never be off-balance, even on the toughest of roads.

No matter the road condition, Isuzu's got it under control with our superior 2H, 4H or 4L Terrain Control.

CLIMBING STABILITY

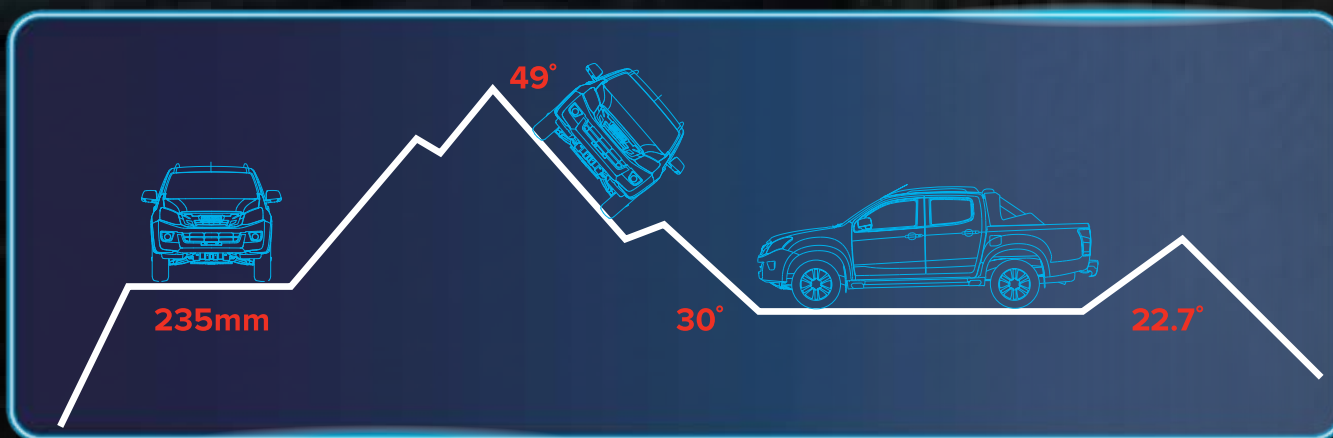

We know life isn't always a smooth road, so no matter the angle, conquer with confidence:

- 30° Departure Angle
- 22.7° Arrival Angle
- 49° Side Slope Angle

A SMOOTHER JOURNEY

We enhanced the vehicle's handling abilities with these additional features:

- Soft Ride Spring
- Terrain Command:
Take on any road condition without fear.
- High Ground Clearance: 235mm

INNOVATE FOR MORE STYLE

We improved the performance not only under the hood, but also the outer design of the vehicle, making it sharper, aggressive and solid.

NEW FRONT GRILLE DESIGN

An updated look for updated performance.

NEW LED HEADLAMP WITH DAYTIME RUNNING LIGHT (DRL)

Never be caught off-guard when you can keep roads illuminated, no matter the condition.

NEW ALLOY RIMS

18" of pure style and personality.

**NEW FOGLAMP
GARNISH DESIGN**

*Looks good, sees better,
no matter the weather.*

SPORTY DECAL DESIGN

*Add a sporty touch to
an already rugged vehicle.*

TAILGATE ASSIST

*Smooth and effortless,
One Hand Opening and Closing.
95% Reduced Tailgate Weight.*

**(optional Isuzu Genuine Accessory)*

INNOVATE FOR MORE COMFORT

*Adventure doesn't have to be uncomfortable.
With new interior stylings for a more discerning taste,
every ride is a stylish, comfortable one.*

PREMIUM SEATING

- Stylish Leather fabric seats for ultimate comfort.
- Premium Sporty design to give your interiors an edge.

**(for 4x4 AT premium only)*

- Comfortable and long-lasting.
- Leather details are soft, yet durable, while Fabric elements are cooling and breathable.

CONTROL AT YOUR FINGERTIPS

Infotainment Illumax 8" touch-screen dashboard lets you see and control everything at a glance, complete with GPS and 8 speakers.

**(4x2 AT Premium may vary from image shown)*

PASSIVE ENTRY AND START SYSTEM (PESS)

Never lose your keys again — seamless entry and start up without ever having to take anything out of your pocket.

SMART CLIMATE CONTROL SYSTEM

Keep cool, just the way you like it.

AUTO FOLD SIDE MIRRORS

Save a little space for tricky parking situations.

UPDATED INTERIOR DASH PANEL

New soft-touch materials lend a premium touch for your interior.

BACK SEAT CHARGING

Don't let passengers crowd the front dash with new USB slots available for backseats.

INNOVATE FOR MORE SAFETY

No matter where adventure takes you, know that the new Isuzu D-Max models come with extensive safety features to keep you safe.

REVERSE CAMERA

Like eyes on the back of your head, easily manoeuvre around sticky situations at a glance.

**(Available in Premium models only)*

+6 AIRBAGS

No matter the impact, safety comes first with added airbag protection.

**(for 3.0L Premium only)*

SAFER SEATING

The D-Max cabin is made from High Tensile Steel. Strong and rigid for passenger safety. Our Tailor-Welded Blank construction technique ensures additional protection.

ADVANCED SAFETY FEATURES:

Keep steering control and handling even while brakes are applied:

- ABS (Anti-Lock Braking System)
- EBD (Electronic Brake-force Distribution)
- BA (Brake Assist)

Prevents the vehicle from skidding and suppresses engine output to help regain control:

- Electronic Stability Control (ESC)

Keep control of your vehicle even on difficult road conditions:

- In-built Traction Control System (TCS)

Hill Descent Control (HDC)

No matter the challenge, handle it on your own terms.

*(available for all models)

HDC
(Hill-Descent Control)

HSA
(Hill-Start Assist)

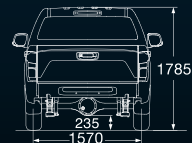

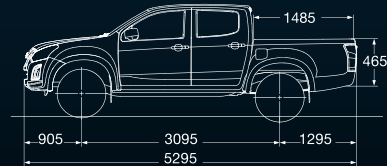

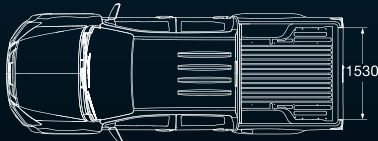

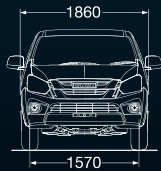

Hill Start Assist (HSA)

Allows you to start your vehicle on an incline without fear of rolling backwards

BLUEPOWER

ISUZU
D-MAX

INNOVATE FOR
MORE
POWER

SAY HELLO TO YOUR NEWEST COLLEAGUE

Tough, resilient, and able to handle any task.

With over 85 years in building engines and pick-up truck, we know how to create the best vehicle for the job. Why is the D-Max the most trusted pick-up truck? Because we made the interior even more comfortable with the addition of the 19MY D-MAX New Features. And our long history of producing diesel and commercial engines guarantees durable and reliable machines every time.

ISUZU D-MAX FUNDAMENTAL FEATURES

- **INTERIOR COMFORT**
- **UNIVERSAL DESIGN**
- **INNOVATIVE DIESEL ENGINE**
 - **DURABILITY**
 - **SAFETY**

INNOVATE FOR MORE POWER

The new Isuzu D-Max is full of exciting surprises, all built around the idea of power.

1.9 DDi
